### Eagle Bay Financial Services

Eagle Bay Financial Services provides a complete employee benefits, insurance and pension plans specifically designed for First Nations Groups.

Eagle Bay Financial Services works with employers and various government agencies to ensure the best and most cost effective benefits in accordance with Indian and Northern Affairs' guidelines, and Non-Insured Health Benefits. Eagle Bay Financial Services provides funding application services to ensure that customers full funding entitlement is received.

Eagle Bay Financial Services specializes in the integration of NIHB (Non-Insured Health Benefits) with the private EHP (extended health plan) through our insurance companies represented.

This integration provides maximum combined coverage through both programs and minimizes cost to the customer for the private plan.

In addition Eagle Bay Financial Services ensures maximum available BEB (Band Employee Benefits) funding by providing a thorough application and/or updating to existing funding programs.

Eagle Bay Financial Services will assist the client with service for administration (employee deductions), claims, pension funding, pension contributions and individual life insurance or living benefits.
