## Services

### Employee Benefits

Eagle Bay Financial Services specializes in group insurance, group pension plans and individual insurance specifically for Canada's First People.

Eagle Bay Financial Services is an independent brokerage agency; we work with all of the major insurance and pension companies as your representative.

Eagle Bay Financial Services maintains groups as small as 2 people and as large as 300. No group is too small or too large for us.

### Why use the services of Eagle Bay Financial Services?

As an agency working for First Nations groups, we advocate on behalf of our clients and reduce the expense while maximizing the benefits to the employer and employees.

Our pension plans are exclusively tax exempt for status employees (subject to CCRA requirements). Equally important the pension income is also tax exempt.

You can benefit from our knowledge and expertise.
